Growing

Warm summer breezes
blow lightly through
memories,
putting a soft mist
on the pictures in my
mind.
Warm memories show me
how I have grown.

Sometimes it comes
suddenly, we realize
that we've grown.
We find ourselves; now
we're finally free to
take charge of our lives.
We've grown as people
and left insecurities
behind. Life becomes
challenging where once
it was frightening.
Now we're ready to put
in the past the secure
world we have known.
We accept the challenge
of building lives
which are truly our own.

These people, my
friends are so varied.
They show how many
different directions
lives can take.
Their futures, as
individual as they are . . .
still search for
a beginning.
A few will go far,
countries and oceans away,
and some will stay
close to home.
These people, my friends,
have grown in many ways.

Counselors Develop CareerInformationCenter

The counselors did a great job in assisting students with the Educational and Career Information Center. The Center was a joint effort of the Media Center and Counseling staff. Because of the Center, students found better availability of career information materials. Teachers who used career information assignments in their classes also found the Center well stocked.

Mrs. Alexander transferred to Churchill from the Bentley High School guidance department to replace Mrs. Goode, who moved to Bentley as an Assistant Principal. Mr. Costa, who was filling in for Mrs. Samples last year returned to his industrial education assignment.

Science Department Gets Into A.C.T.I.O.N.

The science department underwent several changes this past year. With the untimely death of Miss Ruth O'Rourke during the summer, John Jayson was recalled from the social studies department to teach in her place.

A new course was introduced: A full year human biology class taught by Jerry Peterson. This class was designed to meet the needs of students interested in the medical fields.

The science department also took part in the A.C.T.I.O.N. program. Richard Braun's physics students performed science shows. Mark Atkins' electronics students provided electronic services and John Jayson's greenhouse people helped landscape historical sites.

3

Industrial Education Donates Toys

The students in the advanced woodworking class took part in Project Joey. They spent two months constructing toys for the Livonia Goodfellow's Christmas Drive. The toys included jigsaw puzzles, wooden rifles, doll cradles, boats, trucks and tanks.

Glenn Morningstar joined the department. Mr. Morningstar came from Whittier Junior High. Joe Costa returned fulltime to the department after working part-time in the counseling office last year.

Many hours were spent by industrial education students getting their float ready for Homecoming Day. Their beautiful train really stood out in the parade. It won the Grand Prize on the big day.

Hail to the Marchers! Hail! Hail!

Within minutes of their arrival on the field, the Churchill Marching Band turns the student body into a foot-stamping, knee-slapping, singing group of spirited Chargers with the familiar strains of "Victors."

Highlights of this year's season started with a week of band camp where the band played a concert for disabled adults. The band did a parade for the Plymouth State Home and attended the U. of M. Band Day at Ann Arbor. For the first time in twenty-nine years it rained... but the show went on! A great arrangement of "Temptation" and Sousa's "Stars and Stripes Forever" highlighted the day. The band played for the Harrison game and also for Homecoming, where they featured a dance to "Hello Dolly" with Luke Bird doing a trumpet solo.

The Senior Show, which took place during the Franklin game, featured the seniors doing a flag routine to "The Sound of Philadelphia" and senior Steve Williams on drums in "Intermission Riff."

Charger Band Leaders Add Color

An exciting band has more than just good musicians. They also need good leaders, and Churchill had them with Drum Majors Cheryl Hines and Roy Fetter. Dressed in uniforms that were authentic reproductions of the British Queen's Guard, the Drum Majors added the necessary color.

Twirler Helen Stack twirled to the beat of "Tiajuana Taxi" at the first home game. She danced to "I Believe in Music" at the next game. At the home-coming game she worked with alumna Debbie Gray to the throbbing rhythm of "Temptation." At the final game, the crowd was spellbound when Helen twirled to the jazz beat of "Intermission Riff" with fire blazing from her baton.

The season also included a performance at the University of Michigan Band Day and ended with a Pop's Concert.

Helen Stack

Majorette Helen Stack played a big role in the successful season of the Charger Marching Band. Helen was a junior who transfered to Churchill from Bishop Borgess at the start of the 10th grade. She started twirling when she was 10 years old. Helen has attended band camp. She has won awards and medals for both solo and duet performances. She is a member of the Concert Choir.

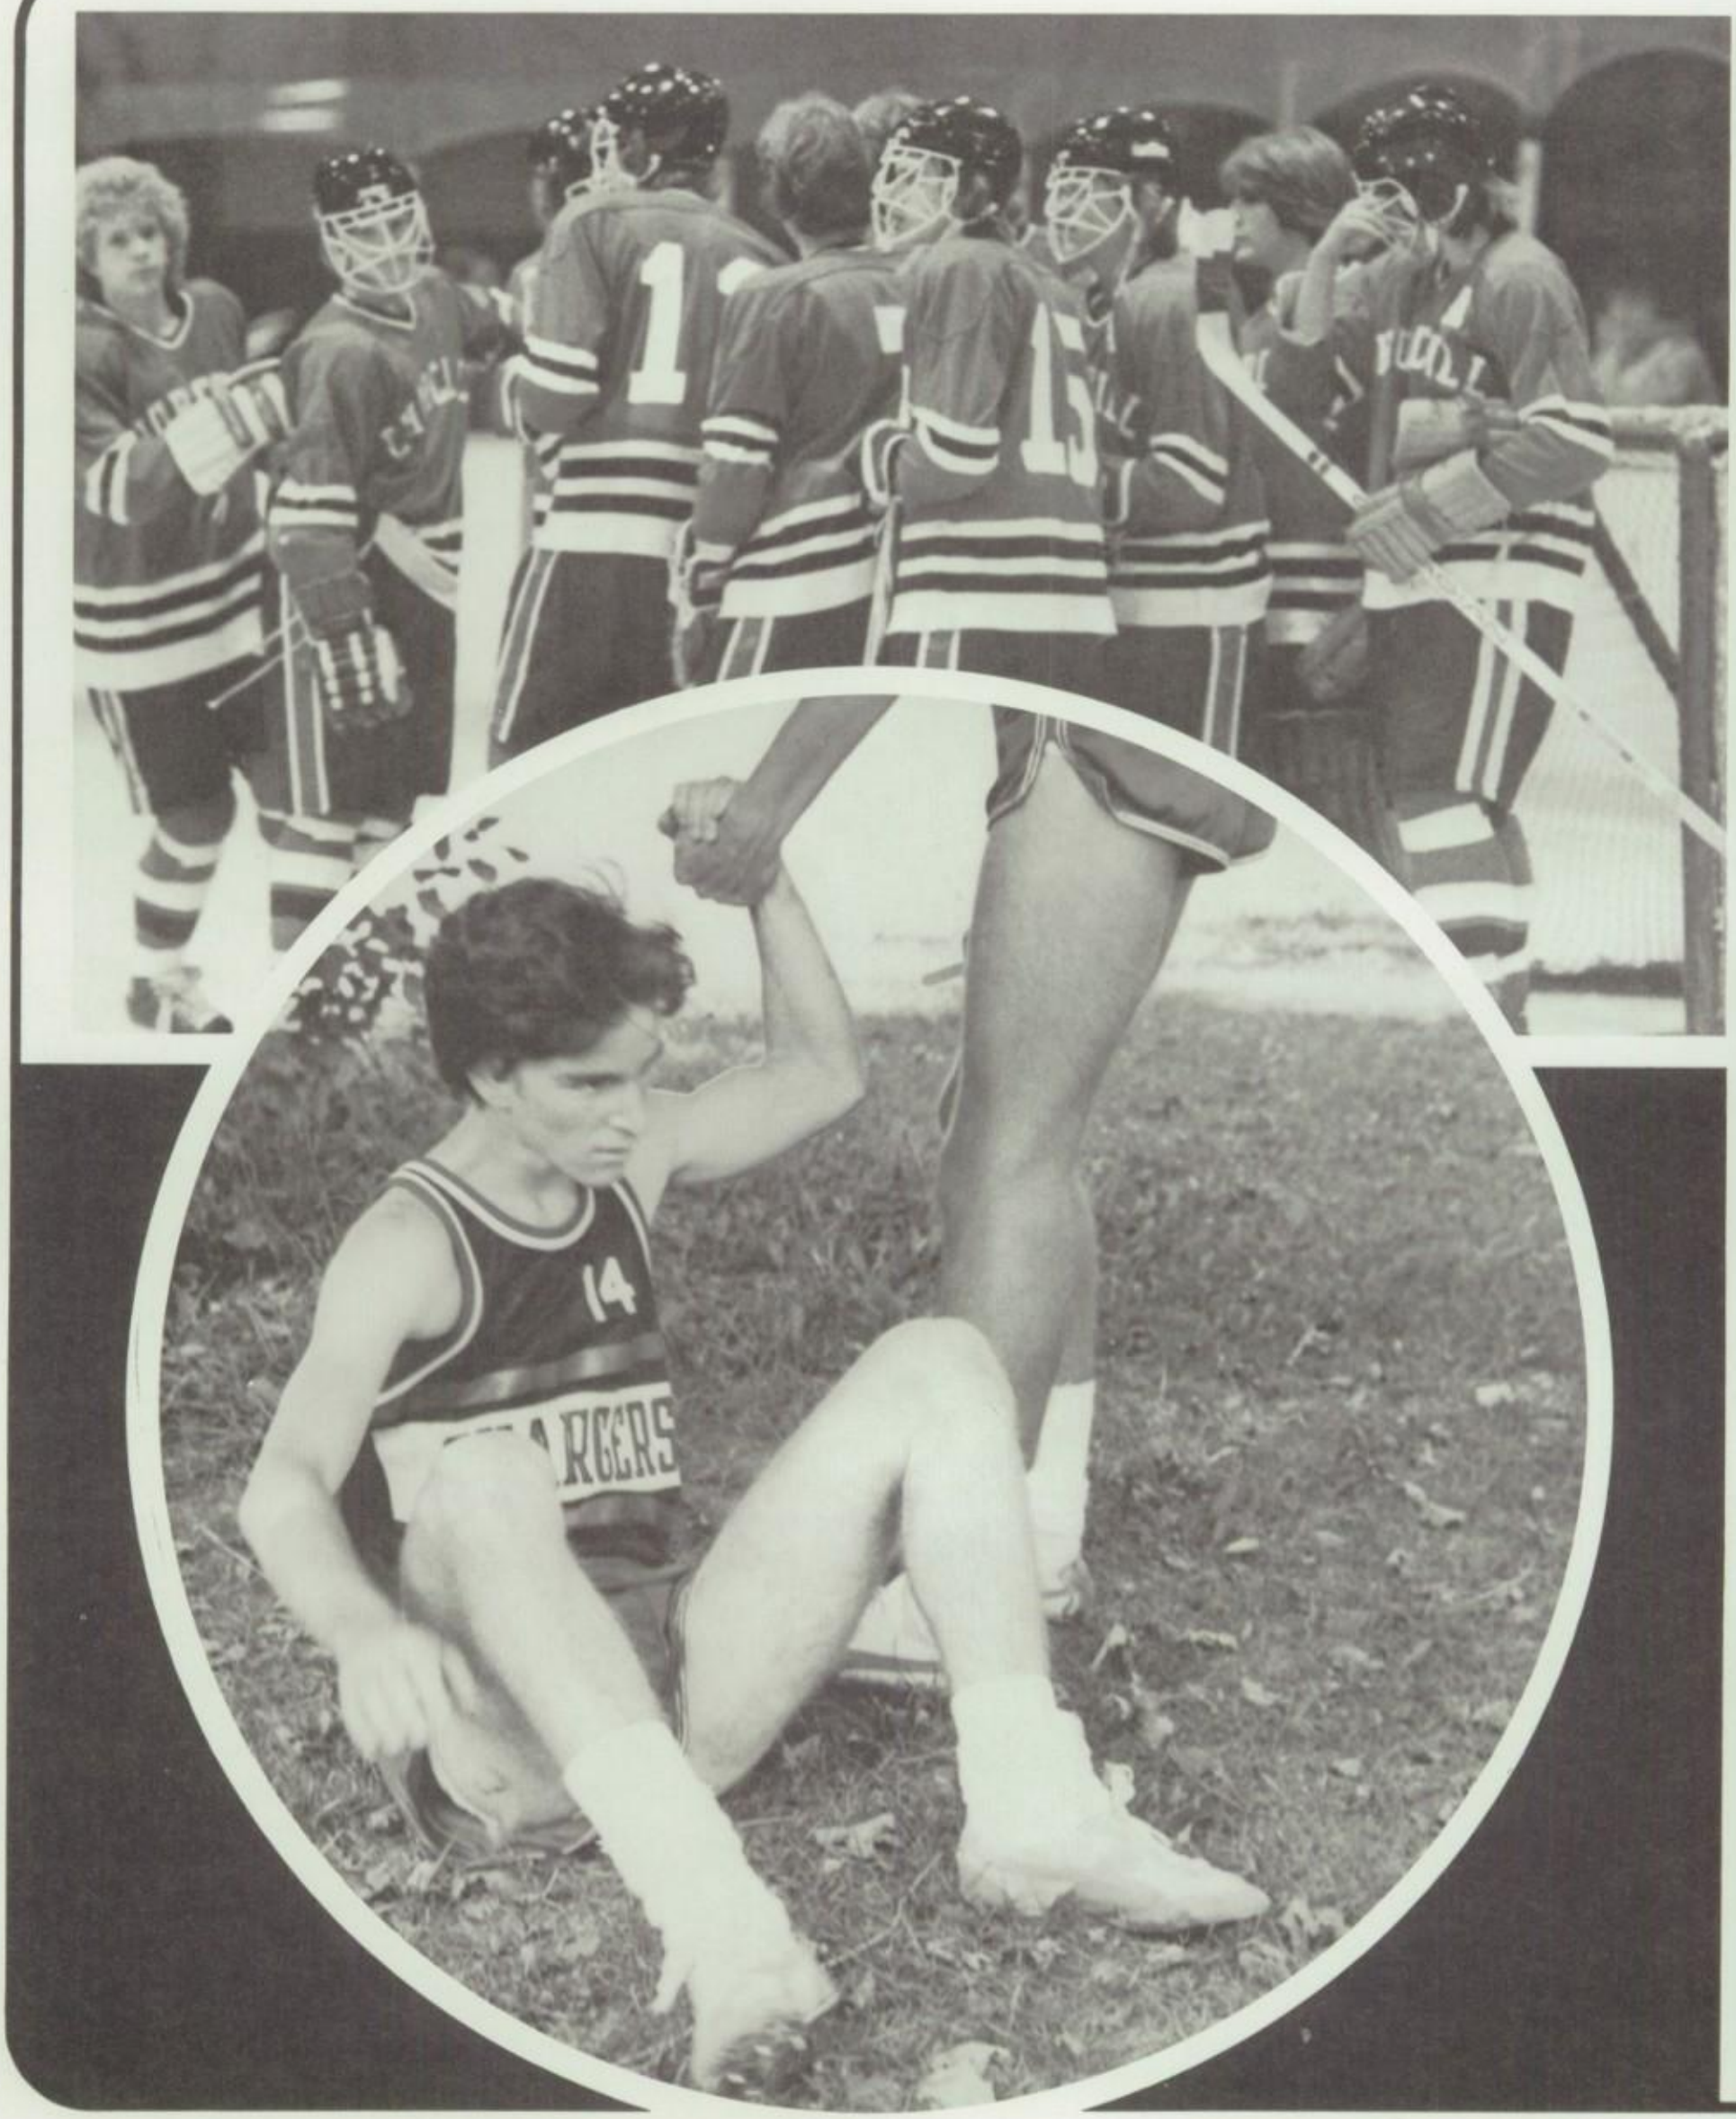
1. Cheryl Hines, Helen Stack and Roy Fetter lead the band.

Cheryl Hines

Cheryl is the Senior Drum Major. She has been in the band for three years as a clarinet player and Assistant Drum Major. Cheryl plays the clarinet in the Symphonic Ensemble and has been a member of the Concert Choir for two years. Cheryl's father made the Queen's Guard uniforms.

Roy Fetter

As Assistant Drum Major, Roy learned much of the skills he will need next year when he replaces Senior Drum Major Cheryl Hines. Roy played the Alto Sax in both the Symphonic and Stage bands. Roy became a Drum Major because, "I like to do it." He said that this year's Senior Show was his favorite because he had a bigger part in it and because the flags added excitement to the performance.



ATHLETICS

Harriers Score Well

The Chargers once again put together a successful cross country season boasting a 5-2 mark overall and 3-2 in league competition. But league championship number eight eluded the Charger harriers who had never lost a league meet or championship in Dave Westover's seven year coaching reign.

Leading the Chargers were senior co-captains Tobin Jones and Dennis Flamme. All-stater Tobin Jones led Coach David Westover's 1977 campaign with a number of individual honors. This included the Schoolcraft and Redford Union Invitational teams, runner-up in the Livonia City Meet, runner-up in the State Regional, 22nd at the State Finals and Churchill's most valuable runner of 1977.

Westover's young crew returns two tough runners for the '78 season. Bob Stansberry finished 19th in the State Regionals and Ken Gaskell was a member of the All-Livonia City Team.

Girls' Place Third in League

Girls' tennis started out slowly this year with two losses, but the girls came back with wins against Plymouth Canton and Northville. Although they did not have a .500 season, the girls showed spirit and skill in all of their matches.

Coach Kather said, "I had more skilled girls than ever before. They worked hard and the work paid off in the end as the girls placed well in league and regional tournaments."

Outstanding players were Theresa Loftus, who made semi-finals in Regionals, and the Doubles Team of Sue Shulz and Sue Kowalski who placed first in their flight for league. These girls helped the team place third in their league.

Finish in Third Place

3

This year the pucksters lacked drive in the first half of the season. They didn't seem to quite have what it takes to be a first class team. They did, however, make an amazing comeback in the second half. At one point they jumped from fourth to first place, but their winning rally came too late. They finished third in the league. Coach Komlen felt that even though they had an off year, the players were, "a group of young men who didn't quit - that had enough guts to be a winner."

Several players received recognition. All-

Spirit The Heart Of CHS

The walls of Churchill High School are covered with spirit! Fresh, painted signs supporting our athletic teams and other school activities are hanged regularly in the school halls. Credit for this show of school spirit must go to a small, but very active, group known as the Spirit Club!

These spirited students don't spend all their time painting signs. They try to excite interest in our school in many ways. For example, they sponsored the "Whip into Winter" assembly.

The Spirit Club also held their annual candy cane sale to raise money for muscular dystrophy.

Their sponsor for most of the year was James Newman and when he left Churchill for another position, Donald Albertson stepped into the vacancy.

Gen Assembly Reviews Registration

Churchill's General Assembly worked hard to communicate student views on issues to the Forum and Faculty. Among the issues discussed was the change in college-type registration. The Assembly felt regret at losing this activity.

Forum Tackles All School Issues

2

The Forum did more than get their feet wet with school issues, they dove in head first. Among the many issues brought up in Forum and some of their main accomplishments were: 1] helped form the Western-Six Leadership Conference, 2] funded half the cost of college-type registration, 3] looked into the problem of the smoking lounge, 4] started a long term school landscaping plan, 5] recommended to the administration to change the final exam policy, 6] paid and sent many student leaders to a variety of conferences, 7] paid and sent letters to graduates encouraging them to support the millage, 8] objected to the Livonia Spree selling alcohol because it kept school groups from participating and 9] purchased a full page Historian ad.

The Forum is considered one of our most unique activity groups because it has teacher members as well as student members.

Creates Problems

This year's hardworking Historian staff had the fewest members ever in the history of Churchill High School, with only eight members.

The staff consisted of three seniors and five juniors. It is hoped that next year there will be more response from the sophomores.

The delivery date was set in September, due to the inclusion of the spring sports in the hardcover edition, rather than in a separate supplement.

Senior editors were Nancy Golm and Mary Kubitskey.

Keglers Get New Sponsor

The bowling league turned out some real winners. Among them were Jim Murphy and Terry Lang with high games of 237 and 212. Fred Page and Sandy Pyska finished with 646 and 566 high series. This was the first year that a girl bowler has broken a 200 game or 500 series.

The "Krap-Shooters" just edged out the "M.P.G.'s" for first place, while "White Lightning" took third.

Under the new sponsorship of Donald Pratt and officers Bob Lepping, Frank Mardeusz and Kathy Rexin, the year was really a success!

Churchill students became involved in the program in many ways. Mr. Braun's students explained physics to elementary students, family living students had senior citizens visit the school for lunch, the choir sang at convalescent homes and A.C.T.I.O.N. students helped with landscaping Greenmead.

Two Clubs Formed

"The Ninth World Penguin Regiment," also known as the Math Club, was formed this year under the sponsorship of Dr. Roger Strong. The group was active throughout the school year working on math problems in preparation for the Michigan Mathematics Prize Competition.

Other activities included offering one dollar prizes for the solutions to math problems and sponsoring the All-School Math Contest.

The Electronics Club's sole project this year was a radio-controlled robot that will be the school's mascot. It was started in the spring of 1977 and its completion is anticipated at the end of the first semester of the 1978-79 school year.

The group's secondary activity was to raise money to cover the enormous cost of electrical parts. In addition to many hours spent in assembling the robot, the club sold popcorn and worked the concession stands.

Seniors Slide by Juniors

Fighting the cold, snow and muddy field, the seniors slipped by the juniors in a 6-0 shutout. Though the score was low, the seniors dominated the game both offensively and defensively.

The senior coaches, Sam Aneed and Dave Kielty, worked hard in making the team a powerful and hard hitting success. Chalk another one up for the seniors!

Faculty Beats Seniors

The faculty beat the seniors in the Senior-Faculty Basketball game. "Dude" Rohan played a mean brand of ball for the seniors, while a loud group of cheerleaders for both sides got the crowd excited.

The senior boys defeated the juniors in the tug-a-war but the junior girls' tug-a-war team was victorious over the senior girls.

Sponsor Loses Mustache

Senior Class Sponsor Donald Albertson put a lot on the line to give the seniors a year of memories. He almost lost his moustache in the Senior-Faculty basketball game. He wasn't as lucky, later, when the WABX disc jockeys hit him in the face with a pie during their basketball game. The patient Mr. Albertson devoted a great deal of time to making this Senior Class one of the best.
